

## Science@Noon

Experience the exciting world of sciences in French!

Six lunch-time hands-on science workshops offered weekly at your school for grade 1 to 6 students. **EXPLORUM** aims at strengthening the French language in a scientific context and helping students develop an interest in Science in a fun setting.

**Price:** \$175/session - *Cheque to Explorum or e-transfer to [info@explorum.ca](mailto:info@explorum.ca)*

**BONUS:** 10% of Science@Noon revenues are donated to your school fundraising activities.

**Autumn 2018 dates:** Session 1: Week of September 10 to October 15, 2018  
Session 2: Week of October 22 to December 3, 2018

**EXPLORUM** creates enthusiasm by embarking children in scientific “adventures” that allow them to discover the fabulous and infinite world of science!
